Dear Madam:

The above-identified application became abandoned for failure to file a timely and proper reply to a notice or action by the United States Patent and Trademark Office. The date of abandonment is the day after the expiration date of the period set for reply in the Office notice or action plus any extensions of time actually obtained.

Counsel did not receive the Notice of Allowance and therefore was unaware the Issue and Publication Fees were due. Counsel only became aware that the application had been allowed upon receipt of the Notice of Abandonment mailed December 18, 2009. Enclosed with this reply is the Issue Fee payment of \$1,510.00 and the Publication Fee of \$300.00.

The entire delay in filing the required reply from the due date of December 18, 2009 for the required reply until the filing of a grantable petition under 37 CFR 1.137(b) was unintentional. It is submitted, therefore, that on the basis described above the abandonment should be held to be

inadvertent, the enclosed Amendment and Response should be entered and the case revived.
Enclosed with this Reply is the Petition Fee of \$1,620.00 covering the fee set forth in 37 CFR 1.17(m).

The Director is hereby authorized to charge any deficiency in the fees filed, asserted to be filed or which should have been filed herewith (or with any paper hereafter filed in this application by this firm) to our Deposit Account No. 50-3537, under Order No. 22173-70410.

Respectfully submitted,

By
